## President's Message

I'm back from thirty wonderful days that George and I spent in Hawaii and the South Pacific. Needless to say, I am finding it very difficult to get back to reality, work, emails, the phone, and my volunteer commitments!!

The board held a meeting on April 9<sup>th</sup> and with me still playing catch up it was an extremely short meeting! We did manage to accomplish a few things: We passed the HOYF budget for 2008. We learned that there has been an attempt to start or someone from HHS may have already started a J001 Optimist Club there – I am to follow up on this development. We went over the club's financial summary for the year (included in this newsletter). I will be following up with Dennis Husch and Cindy Roeder with regards to the statue at Haley M. Smith Field.

The Task Force is moving forward with great diligence, has another meeting scheduled for the week of April 14, and hopes to have a detailed report to the board by our May 6<sup>th</sup> meeting.

Spring is always a busy time, so I'm sure there will be more news of the club's activities in the upcoming weeks.

Hope to see many new faces at our April meeting which will be held on the 23<sup>rd</sup>. Until then....

Laura

*Below is a note from Doug Downer,  
Chairman for Friday Night Live!.*

Dear Friday Night Live Volunteers,

It is that time of year again. I know that I speak for most of us when I say that I am very much looking forward to seeing everyone again and hanging out with our Friday Night Live family. It has been a slow start for me this year in getting everything together for the 2008 season. No matter how far behind I am though, one thing I can always count on is with such a great group of volunteers putting on the event itself is never a problem. We are very lucky to have such a fantastic group of fun, generous and dedicated people working at FNL. All of you are the ones that have made this event the success that it is.

As you know (or will find out) at FNL we work very hard to produce a safe and fun event for everyone. Part of our job selling alcohol is to know, observe and enforce the Virginia ABC laws and rules. We take these rules VERY seriously and over the years have earned a reputation as being one of the best managed ABC events in the state.

Part of this process is ongoing training on Virginia ABC laws and safe alcohol sales guidelines. Anyone who is interested in volunteering as an ID Checker, ABC Manager or beverage seller at Friday Night Live is required to attend our ABC Training and orientation meeting prior to each season. Since enforcing these rules is a job we all share, we encourage everyone to attend the training every year even if you have attended in the past. This year we will reward your attendance with some refreshments provided by Hard Times Café and some FNL style beverages, AFTER the training – of course!

In addition to ABC training we will also have an FNL orientation and have a question and answer period. Following refreshments at 8:00 we will hold a Marshall training session for those volunteering as Marshals.

We can never have too many volunteers so if you know someone who likes to have fun and would enjoy volunteering at our events please bring them along on the 23rd.

Thank you and I look forward to seeing you on the 23<sup>rd</sup> and at Friday Night Live!

Doug Downer  
FNL Chairman
